1990: General Assessment of Dimitu Children's Village Foundation, B.A. thesis, Addis Ababa University.

Other Work, Field and Research Experience

I have participated as co-investigator, counterpart sociologist and research assistant in the following studies conducted by employing qualitative methods (focus group discussion, case studies, and in-depth interviews) and quantitative methods:

1. Research Assistant in a research project on "Food insecurity in Ethiopia", 1992. The study was conducted by using ethnographic informants and focus group discussion methods. Professor Seyoum Gebreselassie was the principal investigator, and it was sponsored by Disaster Prevention and Preparedness Commission (DPPC).
2. Counter-part sociologist in the study conducted to establish new abattoir in Addis Ababa. The study was carried out by Danagro Advisers, and sponsored by Addis Ababa Abattoir in collaboration with African Development Bank, 1994.
3. Co-investigator in the research project on "Safe guarding youth from AIDS", a research project sponsored by Addis Ababa University in collaboration with John Hopkins University (USA).
4. Research Assistant on " Problem Behaviour, Social Competence, and Associated Risk Factors for Children in Foster Care", Discipline of Psychiatry, University of Newcastle, Australia, December 1996- June 1997
5. External consultant for COOPI International, program in support of vulnerable children and adolescents (February 2006-).
6. Member of satellite network team conducting research on "Gender, generation and social mobilization: Challenges of reproductive health and rights among vulnerable groups in Ethiopia, Sudan and Tanzania" (2007-2011) - network project sponsored by the Norwegian Programme for Development, Research and Education (NUFU).
7. International Consultant for Royal Tropical Institute of the Netherlands for facilitating a workshop on proposal writing on HIV/AIDS (organized by Royal Tropical Institute of the Netherlands in collaboration with Children AID Ethiopia (CHAD-ET) and Ethiopian HIV/AIDS Prevention and Control Organization (HAPCO) –November 06-10, 2006, Nazret, Ethiopia
8. Trainer/facilitator, Sexuality Leadership Development fellowship at Africa Regional Sexuality Resource Centre, Lagos, Nigeria 7-26 July 2008
9. Facilitator: HIV/AIDS and most at risk of populations short course (Muhumbili University of Health and Allied Sciences, Dar es Salaam, Tanzania 18-29 October 2010)

My experience in research and teaching extends to both within and outside the country. While working on MSc in Australia I have conducted the following small research projects employing qualitative methods (Focus group discussion and in-depth interviews):

1. Knowledge of AIDS and related behaviour change among Australian youth with particular reference to Newcastle

GetnetTadele's CV. Contact: +251911445100, email: getnett2001@yahoo.com or getnet.tadele@aau.edu.et

2. Education to prevent HIV/AIDS among youth in Hunter Region (Australia): Prospects and Obstacles.

While doing my PhD, I was involved in supervision of thesis for students in Amsterdam Masters in Medical Anthropology, and guest lectured some courses.

While I was Fulbright fellow, I gave seminars and lectures at Yale University, Boston University, University of Florida, University of Illinois at Chicago, Dominican University, National Institute of Health (NIH) and International Centre for Research on Women

Conferences and workshops almost all invited and attended in Person outside of Ethiopia

1. Contemporary Development Issues in Ethiopia, Kalamazoo, US, 16-17 August 2001 (Organized by Center for African Development Policy Research, Western Michigan University, US)

Community Service

- Wrote a proposal, searched for funding and helped Azena community (rural village I came from) and built 48 mts bridge over a big river known as AYO
- Wrote a proposal, searched for funding and helped Azena community build three blocks of library and laboratory buildings and ten class rooms in order to upgrade Azena elementary school to high school
- Wrote a proposal, searched for funding and helped Azena community build elementary school when the previous elementary school was upgraded to high school.
- Provided technical and financial support for the construction of Mezezo Health Centre Maternity ward

GetnetTadele's CV. Contact: +251911445100, email: getnett2001@yahoo.com or getnet.tadele@aau.edu.et

- Wrote the proposal, searched for funding and helped Azena community build preparatory school
- Wrote proposal, searched for funding to build 2nd elementary school in Azena (Inaugurated October 16, 2016)
- Wrote proposal, searched for funding to build a highschool in Gimjabet (Inaugurated January 20 , 2019)
- Wrote proposal and mobilized resources to build brand new high school in Azena and a high school library in Ambela (inaugurated October 30,2022 and January 21, 2023 respectively)
- Wrote proposal and mobilized resources to build brand new elementary and middle school (Opened on Nov 3,2024)

In recognition of the above contribution, I received P2P's 2016 "Exemplary community service award" at Springfield Hilton Hotel, Virginia, USA and recognition Certificate from Amhara Regional Government. Further, Azena community, Woreda and Zonal officials have named one elementary and one high school school after Getnet Tadele. I also received Yusuf Badri Civic Engagement International Prize from Ahfad University for Women in Sudan on December 12, 2018 . And received Education Ambassador Award in 2025.

GetnetTadele's CV. Contact: +251911445100, email: getnett2001@yahoo.com or getnet.tadele@aau.edu.et

In addition to the above PhDs, I have supervised over 50 MA students while writing their MA thesis
